Dear Sir/ Madam,

Advertisement for the 32nd Biennial Delegates Conference Report

We wish to inform you that the 32nd Biennial Delegates Conference brings together representatives from the Local Associations of the various states. This year's theme is "Women and Peace Building – Leaving No One Behind". In the midst of the current turbulence in the country and the world is an urgent for us to focus on our values.

In order to carry out the various activities, funds are needed. We would be most grateful if you could help us by taking an advertisement in our BDC Report. It would greatly help us raise the funds needed.

During the workshop session there will be discussion on the development of strategies of peace building which would hold our leaders morally accountable. What are the strategies to increase women's visibility and leadership in peace-making initiatives? Reports will be presented including one from the YWCA of Kuala Lumpur on the Vocational Training Opportunity Centre which was established in 1998 to empower young women and girls via our one-year free residential programme in income generating, marketable skills to secure meaningful employment.
